Company Overview

About White Salt

White Salt Import & Export is a leading Egyptian manufacturer and exporter of premium quality salt products. Established in 2018, we have built a reputation for excellence, reliability, and innovation in the global salt industry. Our state-of-the-art facilities in Alexandria produce over 1.19 million tons of salt annually, serving clients across Europe, Asia, and beyond.

Our Mission & Vision

Mission

To deliver premium quality salt products that meet international standards while maintaining sustainable practices and building long-term partnerships with our clients worldwide.

Vision

To be the preferred salt supplier in Europe and beyond, recognized for quality, reliability, and customer excellence.

Core Values

Quality

Commitment to excellence in every product.

Reliability

Dependable partnerships and timely delivery.

Innovation

Continuous improvement in processes.

Sustainability

Environmentally responsible operations.

Production Capacity

Product Type	Annual Capacity	Grade
Industrial Salt	180,000 tons	Standard/Premium
Tablet Salt	42,000 tons	Standard/Premium
De-icing Salt	700,000 tons	Standard
Dishwasher Salt	80 tons	Premium

Products & Services

White Salt produces four main categories of premium salt products designed for diverse industrial and consumer applications.

01

Industrial Salt

High-purity industrial salt for chemical manufacturing, chlor-alkali processes, and industrial applications. Capacity: 180,000 tons/year. Used in production of chlorine, caustic soda, and plastic materials.

02

Tablet Salt

Premium tablet salt for water treatment systems and dishwashers. Capacity: 42,000 tons/year. Meets international standards for water purification and household appliances.

03

De-icing Salt

Large-scale de-icing salt for roads, airports, and municipalities across Europe. Capacity: 700,000 tons/year. Ensures safe transportation during winter months.

04

Dishwasher Salt

Food-grade dishwasher salt for automatic washing machines. Capacity: 80 tons/year. Meets food safety and quality standards.

Certifications & Standards

ISO 9001:2015 - Quality Management System

REACH - Chemical Regulation Compliance
